

### Nameplate Specifications

|                        |                |                            |                             |
|------------------------|----------------|----------------------------|-----------------------------|
| Output HP              | N Hp           | Frequency                  | 0 Hz                        |
| Voltage                | 0 V            | Current                    | N/A A                       |
| Speed                  | 3600 rpm       | Phase                      | 3                           |
| Duty                   | NONE           | Insulation Class           | NONE                        |
| Design Code            | NO DESIGN CODE | KVA Code                   | N                           |
| Frame                  | 444TSC         | Enclosure                  | Totally Enclosed Fan Cooled |
| Thermal Protection     | No Protection  | Ambient Temperature        | 40 °C                       |
| Drive End Bearing Size | 313            | Opp Drive End Bearing Size | 313                         |
| UL                     | No             | CSA                        | Y                           |
| CE                     | Y              | IP Code                    | 43                          |
| Number of Speeds       | 1              |                            |                             |

### Technical Specifications

|                    |                             |                       |               |
|--------------------|-----------------------------|-----------------------|---------------|
| Electrical Type    | Squirrel Cage Induction Run | Starting Method       | NONE          |
| Poles              | 2                           | Rotation              | NONE          |
| Mounting           | Rigid Base                  | Motor Orientation     | Horizontal    |
| Frame Material     | Cast Iron                   | Assembly/Box Mounting | F1/F2 CAPABLE |
| Connection Drawing | NONE                        | Outline Drawing       | NONE          |
