#### Nameplate Specifications

| Phase                  | 3             | Output HP                  | 60 Hp                       |
|------------------------|---------------|----------------------------|-----------------------------|
| Output KW              | 45.0 kW       | Voltage                    | 400 V                       |
| Speed                  | 2978 r/min    | Service Factor             | 1                           |
| Frame                  | 225M          | Enclosure                  | Totally Enclosed Fan Cooled |
| Thermal Protection     | No Protection | Efficiency                 | 94 %                        |
| Ambient Temperature    | 40 °C         | Frequency                  | 50 Hz                       |
| Current                | 79.4 A        | Power Factor               | 0.87                        |
| Duty                   | S1            | Insulation Class           | F                           |
| Drive End Bearing Size | 6313          | Opp Drive End Bearing Size | 6213                        |
| UL                     | No            | CSA                        | No                          |
| CE                     | Yes           | IP Code                    | 55                          |
| Number of Speeds       | 1             | Efficiency Class           | IE3                         |

### **Technical Specifications**

| Electrical Type       | Squirrel Cage | Starting Method       | Direct On Line |  |
|-----------------------|---------------|-----------------------|----------------|--|
| Poles                 | 2             | Rotation              | Bi-Directional |  |
| Mounting              | B5            | Motor Orientation     | Horizontal     |  |
| Drive End Bearing     | C3            | Opp Drive End Bearing | C3             |  |
| Frame Material        | Cast Iron     | Shaft Type            | Keyed          |  |
| Overall Length        | 832 mm        | Frame Length          | 425 mm         |  |
| Shaft Diameter        | 55 mm         | Shaft Extension       | 110 mm         |  |
| Assembly/Box Mounting | Тор           |                       |                |  |
| Connection Drawing    | 8442000085    | Outline Drawing       | 0222500459     |  |
|                       |               |                       |                |  |

#### NOTE

ATEX/IEC Ex certified as per IEC/EN 60079-0; IEC/EN 60079-15

All performance values at rated voltage and frequency.

All performance parameters are subjected to standard tolerance as per IEC 60034-1

Technical data are subject to change. There may be slight variations between calculated values in this datasheet and the motor nameplate figures.
